Today's large offering was met with good to very good demand, Quite a few packages offered, but the majority of the offering sold in loads and strings. Quality mostly attractive today and flesh varied, from light to moderate plus. An active market with buyers many times taking multiple loads of cattle to fill pens. Today is another very hot day with the area under a heat advisory. Some areas saw a little rainfall last Thursday night, but things still remain hot and very dry. Grass for the summer and finding feed to put up for winter are the worries of almost every producer right now. The next feeder cattle sale is Wednesday, June 23. Supply included: 100% Feeder Cattle (40% Steers, 60% Heifers). Feeder cattle supply over 600 lbs was 96%.
