Last Year: 4423

Compared to last week: Feeder steers under 600 lbs 2.00 to 6.00 higher, over 600 lbs steady to 2.00 higher. Feeder heifers 2.00 to 5.00 higher. Good to very good demand for this large offering of home raised, long time weaned steers and heifers. Best demand was seen on those light fleshed steers and heifers under 600 lbs. Flesh was a little more uneven this week as there were more cattle carrying a moderate plus amount of flesh, the quality was a little uneven this week as there were quite a few small consignments along with the long strings of attractive, high quality cattle. As the sale progressed the quality got better and the market became very active. Many farmer feeders on the seats actively bidding which created a fast paced auction. After the CME Cattle futures finally were able to post a rally on Friday last week cattle feeders were ready to jump in and buy cattle and were willing to give more to get their needs met. Slaughter cows steady to 2.00 higher than last Wednesday, bulls not well compared. Supply included: 97% Feeder Cattle (53% Steers, 47% Heifers); 3% Slaughter Cattle (85% Cows, 15% Bulls). Feeder cattle supply over 600 lbs was 60%.
