# EGGPLANT

## U.S. No. 1 – LOWER LIMIT

Maximum extent to which appearance may be affected by green color under definition of Fairly Well Colored.

Eggplant, C-2  
Green color  
July 1990 (Previously November 1953)

## Eggplant - Open Spaces (Quality)

**Materially Detracting**  
Minimum amount needed to  
score as damage.

**Seriously Detracting**  
Minimum amount needed to  
score as serious damage.

To determine, cut the eggplant crosswise in the middle.  
Score if either side is materially or seriously affecting the appearance.  
When discoloration or mold is present, score as a condition defect.  
For Example: "Open spaces followed by brown discoloration."
